CLEARSTACK BI FOLDING DOOR

Retail and commercial
Suitable for both internal
and external use

The KRGS Clearstack Bi-Folding Door combines security, visibility and contemporary design in a practical four-panel system. Designed for openings up to 3200mm wide, the door splits centrally with two panels folding neatly to each side.

Unlike traditional folding stackable doors, the Clearstack sits completely inside the lease line, maximising valuable shopfront space. With smooth overhead operation and no continuous floor track, it provides a clean finish with no trip hazard. When closed, it creates an attractive and secure barrier while maintaining excellent visibility through the shopfront.

Suitable applications include shopping centres, shop fronts, club and hotel bars, counter tops, kiosks, arcades, serveries, sporting clubs and stadiums, airports, schools and doorways.

The KRGS Clearstack Bi Folding Door can be filled with your choice of clear infill, vision mesh or a combination to meet your requirements. The KRGS Clearstack Bi Folding Door can be supplied in a vast range of sizes and colour finishes to suit all decors.

AND SHUTTERS

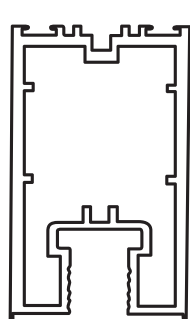

The KRGS Clearstack Bi-Folding Door is a versatile and innovative security solution designed to provide a clean, contemporary finish without compromising valuable shopfront space. Unlike traditional folding stackable doors, the Clearstack sits completely inside the lease line, allowing you to maximise your available shopfront area while maintaining a stylish and open appearance.

Designed for openings up to 3200mm wide, the Clearstack features a four-panel configuration, opening from the centre with two panels folding neatly to each side. When open, the panels fold away neatly to create a wide, inviting entrance, while when closed, they provide an attractive and secure barrier with excellent visibility.

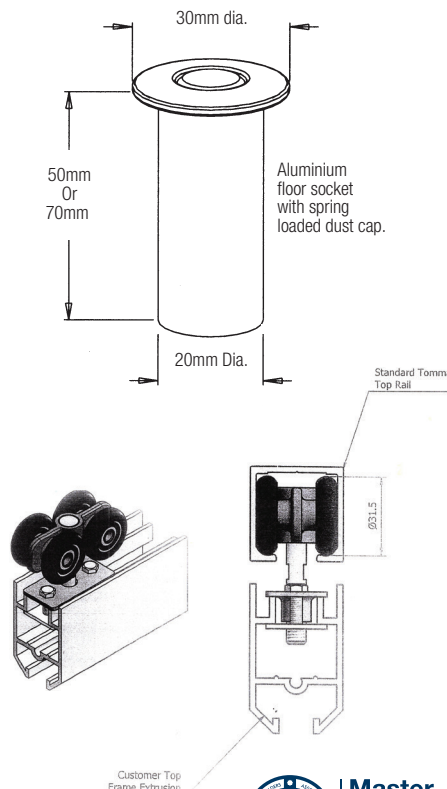

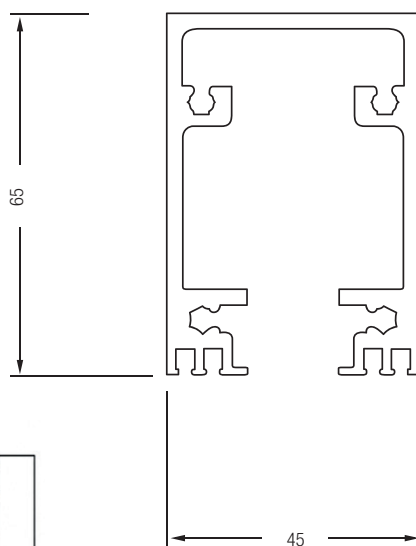

Ideal for retail, hospitality and commercial applications, the Clearstack can help open your business to passing trade, create a contemporary alfresco atmosphere or provide a practical way to separate and secure areas when required. With smooth overhead operation and no continuous floor track, the Clearstack provides a clean floor finish with no trip hazard.

Practical, stylish and secure, the KRGS Clearstack is designed to make the most of your space.
